The new Stone Haus Pizzeria & Creamery adds additional flavor to Solitude's Village

Solitude, UT (January 2007) – Solitude continues to add new choices to the already diverse array of dining options available in the quaint pedestrian village. With the all new Stone Haus Pizzeria & Creamery everyone's tastebuds will be satisfied with piping hot pizza, crepes, ice cream treats, fresh pastries and Starbucks coffee.

The Stone Haus offers a variety of fresh gourmet food all day, 7 days a week. Start your morning off with a breakfast crepe and healthy smoothie. Afternoons will find our pizza ovens busy baking up a wide range of handmade pizza options, plus lunch-style crepes and fresh salads to satisfy appetites worked up on the hill. Evenings feature the same great pizza favorites, as well as an assortment of frozen treats for dessert, featuring gourmet ice cream from local Spotted Dog Creamery.

For the visitors craving a caffeine dose, the Stone Haus features Starbucks coffee and espresso selections, which are sure to hit the spot. The Stone Haus, conveniently located in the center of the village, also provides all menu items "to go" - perfect for taking back to your room.

Coupled with Creekside's family friendly Italian and Americana fare and St. Bernard's fine-dining country French cuisine, the Stone Haus offers a new option for visitors interested in a less-formal setting without any sacrifice in flavor. The Stone Haus is open daily from 7 AM – 10 PM.

Solitude Mountain Resort, a year-round, family-friendly destination, receives more than 500 inches of the Greatest Snow on Earth™ every year and is located just 40 minutes from the Salt Lake City International Airport.
